ABOUT DARIGOLD

Since 1918 Darigold has been providing nutritious dairy products to the people of the Northwest. Headquartered in Seattle, Darigold, Inc. is owned by more than 300 family farms across Washington, Oregon, Idaho, and Montana.

As one of the largest US dairy cooperatives, Darigold produces a full line of dairy-based products for retail, food service, commodity, and specialty markets. We operate 11 plants throughout the Northwest, strategically located to reduce time from farm to market and provide fresh product at a great value. All Darigold products are rbST free.

Darigold and its farmer owners are continuously striving to improve and innovate sustainability methods while also supporting our local communities. Our farmer owners are committed to being Greenhouse Gas (GHG) Neutral by 2050 and are also founding members and signatories of the U.S. Dairy Stewardship Commitment.
